101 WELLINGTON HILL WEST

HENLEAZE, BRISTOL, BS9 4SH

£775,000

A substantially-extended, 4/5 bedroom 1930s family home occupying a generous plot on a popular Henleaze road. Immaculately presented throughout; the property boasts an open-plan kitchen/living area, a main bedroom with en suite, utility room, large driveway, and a well-maintained, sunny rear garden. Offered to the market with no onward chain.

### Ground Floor

A uPVC front door opens into an entrance porch, which gives way to a wide entrance hall - providing access to the staircase, ground floor WC and in turn, the principal rooms.

The front reception room is a well-proportioned, square bay-fronted sitting room with wooden flooring, picture rails, high ceilings and a gas fireplace. Across the hallway, you will find a useful second reception or home office, which could also be utilised as a fifth bedroom if required.

The true hub of the home is a hugely impressive, open-plan kitchen/living area with wooden flooring throughout, 7-metre bi-folding doors providing level access to the rear garden, and five skylights allowing for an abundance of natural light to flood the space throughout the day. The kitchen itself comprises a range of base and wall-mounted units with central island and breakfast bar, high-gloss fronts and quartz worktops. Integrated appliances include a dishwasher, sink with drainer, and an electric and gas range cooker incorporating a seven-ring gas hob with extractor.

The remainder of the space easily accommodates a large, 2-metre dining table and living area - making it ideal for family living and entertaining.

Off the kitchen, a utility room provides a further range of base and wall-mounted units, a larder unit, sink, and space for a washing machine, tumble dryer and second fridge.

### First Floor

Ascending to the first floor landing, you will find three generous bedrooms and a family bathroom.

The second bedroom is a large, bay-fronted double bedroom with high ceilings and original picture rails retained. Bedroom 3 is adjacent, and is also a well-sized double - benefiting from fitted wardrobes and a pleasant view of the rear garden. The fourth bedroom is a good single, which would also make an ideal home office or nursery.

Completing the first floor accommodation is a recently-fitted, fully-tiled shower room comprising a large walk-in shower, toilet, sink and built-in laundry storage.

## Second Floor

A large dormer extension was carried out by the current owners to create a large, dual-aspect main bedroom with built-in storage and an en-suite shower room. The space benefits from a large, floor-to-ceiling window plus skylights, bathing the room in natural light and providing elevated views of the garden. Access is available to eaves storage space.

## Externally

From Wellington Hill West, a block-paved driveway provides parking for multiple vehicles, surrounded by a range of pretty borders and a row of trees acting as a screen from the road.

Perhaps one of this property's best features is its south-westerly facing, beautifully-manicured rear garden. Primarily laid to artificial turf, there are two patio areas placed to make the best of the sunlight throughout the day - bordered by a range of mature flowering shrubs, trees and bushes.

## Location
