The outdoor space is so unique for this type of home.

Rock Cottage has been upgraded and transformed by the present owner and it has a magical feel from the moment you step through the front door. Outside, there is gated access to the driveway and onsite parking, a low-maintenance front garden and an extensive terraced, low-maintenance garden to the rear. There is also a shed which has power and lights which can be used as a useful workshop.

Nestled within a variety of high-quality properties in this popular village location, it offers a village shop, pub and fish and chip shop. There are excellent bus links within minutes walking distance, while the local train links can be found in either Steeton or Keighley, allowing quick and easy access to the larger business centres of Leeds, Bradford, Manchester and beyond.
