47 Longnor Road Heald Green SK8 3BW

£500,000

Significantly extended and occupying an impressive garden plot measuring approx 0.12 of an acre, this immaculate property is available with the benefit of having no onward chain involved.

Initially planning to add a double-storey extension, the current owners chose instead to add a single storey extension with the potential to add another level in the future.

An entrance hallway leads to a living room with feature fireplace. The room opens to a dining room with French doors to the garden. The extension forms a well-proportioned, versatile space - Currently utilised as an office/TV room, this room could easily be repurposed as a bedroom: It is also of sufficient size to be sub-divided. Overlooking the rear garden is a fitted kitchen which leads on to a utility room with a useful large sink with shower (ideal for washing muddy dogs!) and a downstairs WC/store completes the ground floor: NB: If desired, this room could potentially have a shower added, to create a second bathroom.

To the first floor are two good double bedrooms, a well-proportioned single bedroom and a bathroom which is fitted with a white suite.

The house stands at the head of a cul-de-sac and benefits from a plot which widens to the rear. The front garden has a gravel-covered area with paved section alongside, providing plentiful off-road parking space. The rear garden is of special note, being of such a good size and not directly overlooked. There is a choice of seating areas and a large central lawn. Attractive decorative borders and a timber summer house complete a most attractive outdoor space which is certain to those with families and/or pets.

Longnor Road forms part of a sought-after residential area which is well-placed for access to amenities, transport networks and schools for all age groups. An early internal inspection of this stunning home is a must!
