STEP INSIDE:

As you enter the property, you are welcomed into a large, airy entrance hall — a practical and inviting space with excellent room for shoes and coat storage. To the left, the bright lounge provides a wonderful living space, enjoying lovely views over the beautiful south-facing garden. This is a comfortable and relaxing room, filled with natural light throughout the day.

Returning to the entrance hall, a doorway to the right leads into the main hallway. From here, you have access to all principal ground floor rooms, along with stairs rising to the first floor. One of these rooms is the thoughtfully designed downstairs shower room, ideal for those requiring disabled access. It comprises a large, low-rise shower, WC, and wash basin. There is also an airing cupboard with a small radiator — perfect for clothes or linen.

Positioned at the front of the home is the main ground floor bedroom, a generous double room featuring a bay window overlooking the garden and surrounding hills. Adjacent is a second reception room, currently arranged as a bedroom. Mirroring the first bedroom in size and style, it too benefits from a bay window with views across the south-facing garden, allowing light to flood in throughout the day. Completing the ground floor accommodation is the well-designed kitchen/diner.

The layout offers space for a dishwasher, freestanding fridge/freezer, and cooker. The dining area comfortably accommodates a family-sized table and benefits from sliding patio doors that open directly onto the newly decked garden area — ideal for indoor-outdoor living. Off the kitchen is the utility room, a practical space for coats or returning from muddy walks. It provides space for a washing machine, sink, and plenty of additional cupboards, as well as the property's gas combination boiler.

Ascending to the first floor, the sense of space continues. Immediately to the right is a well-appointed shower room, fitted with a generously sized shower, WC, and wash basin. Next, there is a good-sized double bedroom featuring a beautiful stained glass window and delightful views over the surrounding countryside, including up to Haytor. The main upstairs bedroom is another spacious double, currently utilised as a home office/storage space, and benefits from two Velux windows similarly overlooking the rolling countryside, creating a light and peaceful setting. The family bathroom comprises a bath, WC, and wash basin. Finally, a further double bedroom with a Velux window allows additional natural light to pour in. All upstairs bedrooms benefit from useful eaves storage, ideal for additional storage or maintenance access.
