Denne View, Kerves Lane, Horsham, West Sussex, RH13 6ET

A truly exceptional, individually designed family home located in a semi-rural yet accessible position on one of Horsham's most prestigious and sought after residential roads. The property lies just under a mile from the town centre, yet benefits from unspoilt southerly views of the Sussex countryside with Denne Hill as the backdrop. As such, "Denne View" offers a rare combination between the appeal of rural living, and the convenience of such a well-connected location.

Originally a single-storey home, the property has been completely transformed into a substantial and highly versatile family home, with accommodation arranged over three floors and finished to an incredible standard throughout. Upon entering the home, an impressive entrance hall with herringbone block flooring opens through double doors which perfectly frame the outstanding southerly views beyond, while the rear of the house opens beautifully via almost 5m of folding doors from the open-plan kitchen, seamlessly connecting the interior with the garden. This open plan room spans nearly the entire width of the home with a snug, large dining space, and bespoke in-frame farmhouse style kitchen, whilst a practical utility and boot room keep the unsightly workings of a family home out of view. The formal sitting room is flooded with natural light from two large box bay windows, whilst exposed timber ceiling joists and a stunning exposed brick central inglenook fireplace with oak mantle and wood burning stove give a sense of character in this newly created home. Completing the ground floor is an evening lounge, downstairs cloakroom and study.

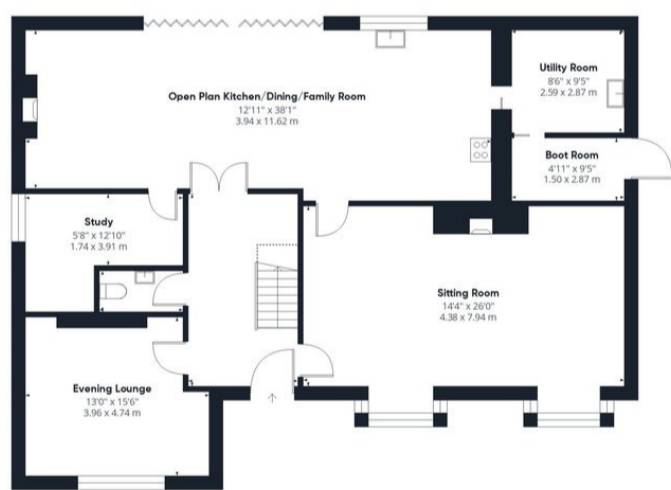

On the first floor there is a fabulous principal bedroom suite with dressing room and ensuite bathroom, a guest bedroom with access to the first-floor bathroom suite, two further ensuite bedrooms, and the fifth bedroom. The top floor is highly versatile and provides an ideal self-contained space for guests, a live in nanny, or older children. With a bright landing/study space, a lounge/games room, an ensuite bedroom, a further bedroom/gym, and a w.c which could become a further bathroom, or sauna as the current owners had planned.

Approached via a five bar timber gate, the expansive gravel driveway provides parking for ample cars, and space for garaging. To the rear, the garden extends to over 100ft and enjoys seclusion, unmatched southerly views, and spectacular sunsets.

The home showcases craftsmanship at every turn, having been created by owners with a background in specialist architectural joinery and bespoke fitted furniture. This is a true passion project, completed with no expense spared, and must be seen to be appreciated. Contact Courtney Green to arrange a viewing.
