THE PROPERTY

Spacious Three-Storey Family Home

Fern Lea is a deceptively spacious semi-detached property situated in the heart of the popular village of Tebay.

Ideally positioned just minutes from Junction 38 of the M6, the property enjoys excellent transport links, providing convenient access to the nearby towns of Penrith, Kendal and Lancaster. Tebay has a strong sense of community and offers a good range of local amenities, including shops, a primary school, medical facilities and a church, making it a practical and appealing location for both families and professionals.

Offering generous and versatile accommodation arranged over three floors, Fern Lea provides a well-balanced combination of living and bedroom space. To the ground floor is a spacious sitting room featuring a multi-fuel stove, together with a formal dining room, also benefiting from a multi-fuel stove, and a well-appointed kitchen. The first floor provides three bedrooms, served by the family shower room. To the second floor is a spacious attic room, offering excellent versatility and making an ideal home office, hobby room or additional storage space, subject to the purchaser's requirements.

Storage has been thoughtfully considered throughout the property, providing useful and practical solutions for modern family living.

Externally, Fern Lea benefits from a detached double garage with an impressive range of potential uses. The garage incorporates a converted area, currently providing an ideal office or craft room, together with a mezzanine level offering additional storage. Plumbing is also available within the garage, providing the opportunity for the space to be adapted to suit a variety of needs, such as a home gym with shower facilities or a separate utility area, subject to any necessary consents.

The property is complemented by enclosed, low-maintenance patio areas to both the front and rear, with raised borders adding an attractive touch and providing pleasant outdoor spaces for relaxation and entertaining.

Fern Lea represents an excellent opportunity to acquire a spacious and versatile family home in a well-connected village location, with excellent transport links and a wealth of potential to adapt the accommodation and outbuildings to suit individual requirements.
