PROPERTY DESCRIPTION

This well-presented two-bedroom, end-of-terrace, bay & forecourt property is situated in a popular residential area of Southsea and is offered to the market with no forward chain—making it an excellent opportunity for first-time buyers or a young family. Located on Westfield Road, the home offers bright and well-proportioned accommodation throughout. Upon entering, there is a stylish living room to the front, enhanced by a large bay window that fills the space with natural light. This is complemented by a spacious, open-plan kitchen/dining area, creating a sociable and versatile living space, complete with a useful understairs storage cupboard. To the rear of the property, there is a generously sized fitted bathroom suite, along with access to a low-maintenance, enclosed rear garden—ideal for those seeking outdoor space with minimal upkeep. Upstairs, the first floor provides two excellent double bedrooms, both benefiting from built-in wardrobes, offering practical storage solutions. Additional benefits include double glazing, gas central heating, and the advantage of being offered with no onward chain. In our opinion, this is a fantastic opportunity to acquire a well-located and comfortable home with plenty to offer. We highly recommend an internal viewing to fully appreciate the space and potential on hand. For further information or to arrange a viewing, please contact the Lawson Rose sales office today.
