Arnside is a picturesque village situated on the shores of the Kent Estuary in Cumbria. Nestled within the National Landscapes, this coastal village offers stunning views of Morecambe Bay and the surrounding countryside. Arnside is known for its serene atmosphere, charming promenade, and distinctive railway viaduct. The village is popular among both locals and visitors for its scenic walks, including the Arnside Knott. The tidal bore, locally known as the "Arnside Bore," is another unique natural phenomenon that attracts attention. Arnside boasts a range of local shops, cafes, and pubs, creating a friendly and welcoming community atmosphere. The nearby train station and good road connections make it accessible for those looking to explore the Lake District National Park and other nearby attractions. With its tranquil surroundings and outdoor recreational opportunities, Arnside is a delightful destination for nature lovers and those seeking a peaceful coastal retreat.

The Coach House presents a practical and thoughtfully arranged layout set across three floors, offering well-proportioned and versatile living space.

The ground floor opens into a generous entrance hall, providing access to the upper floors, the integral garage, and a convenient cloakroom with WC. This area also offers useful storage space for coats, shoes, and everyday essentials, helping to keep the home organised.

On the first floor, the main living and dining area is bright and spacious, comfortably accommodating both seating and a dining table. Doors open onto a Juliette balcony, allowing in plenty of natural light and creating an airy feel. The newly fitted kitchen is fitted with a range of wall and base units with hardwood doors, complemented by decorative tiling and breakfast bar. It comes equipped with an integrated fridge, AEG oven and grill, electric hob with extractor hood, full sized dishwasher and a stainless steel one-and-a-half bowl sink with drainer, making it both functional and well-appointed. Also on this level, the bathroom includes a bath with overhead shower and screen, tiled splashbacks, WC, wash basin, and shaver point.

The second floor comprises three bedrooms. Bedrooms one and three are positioned at the front, with bedroom one benefiting from two Velux windows that enhance natural light. Bedroom three also features a Velux window. Bedroom two is located at the rear and includes two Velux windows, creating a bright and comfortable space. A further bathroom serves this floor, fitted with a bath and overhead shower with screen, tiled splashbacks, WC, and wash basin. Access to the boarded loft space with integral ladder.

Externally, while the property does not have a traditional garden, it is ideally situated within close proximity to the coast, offering easy access to outdoor leisure opportunities.

The integral garage is larger than average and includes a remote-controlled up-and-over door, electric car charging point, as well as lighting, power, plumbing for a washing machine, and built-in storage, providing excellent additional utility space.
