"This has been a home of firsts for us. Our first flat, our first garden where summer BBQs stretched long into the evenings. We got married while living here, and last year we brought our baby home. It's been the perfect place to begin our life together. The location has been everything we hoped for - especially being able to slip out through the back gate to find ourselves moments from Victoria Park. Since we arrived in 2021, this end of Bedminster has blossomed with new restaurants, shops, and bars, giving the area an energy and community we've loved being part of. We're sad to have outgrown our lovely home, but we know it will be just as special for whoever calls it home next."
