The entrance hallway leads into a welcoming lounge and dining room, a comfortable open setting for everyday living and entertaining. To the rear, a spacious modern kitchen with a utility area creates a practical and stylish hub, complemented by a ground floor w.c.

Upstairs, there are three double bedrooms and a family bathroom with a separate shower. The loft provides additional versatility, with a drop down ladder, skylight window, power and lighting, making it ideal for storage or occasional use or even a conversion to another bedroom with en-suite (STPP). The home benefits from gas radiator central heating, upvc double glazing and an enclosed rear garden that offers a private outdoor retreat.
