ABOUT THIS PROPERTY:

Accessed via a secure video entry system, the building presents well maintained and recently refurbished communal areas with lift access to all floors. The apartment opens into a central hallway with fitted storage, creating an organised and practical arrival point.

The main living space is arranged as an L shaped lounge and dining room, where large windows draw in consistent south facing light throughout the day. The room extends naturally into an enclosed balcony with opening doors, offering flexibility as a sheltered sitting area that can be used across seasons. The kitchen is practically arranged with fitted units, integrated appliances and designated storage, supporting both everyday use and more informal hosting. The overall layout allows for clear zoning between dining and relaxation while maintaining a sense of openness.

The principal bedroom is positioned away from the main living areas and includes fitted wardrobes and an en suite shower room. Two further bedrooms are well proportioned, with the third currently arranged as a high spec customised home office. These are served by a contemporary family bathroom. Hallway cupboards provide additional generous storage.

OUTSIDE:

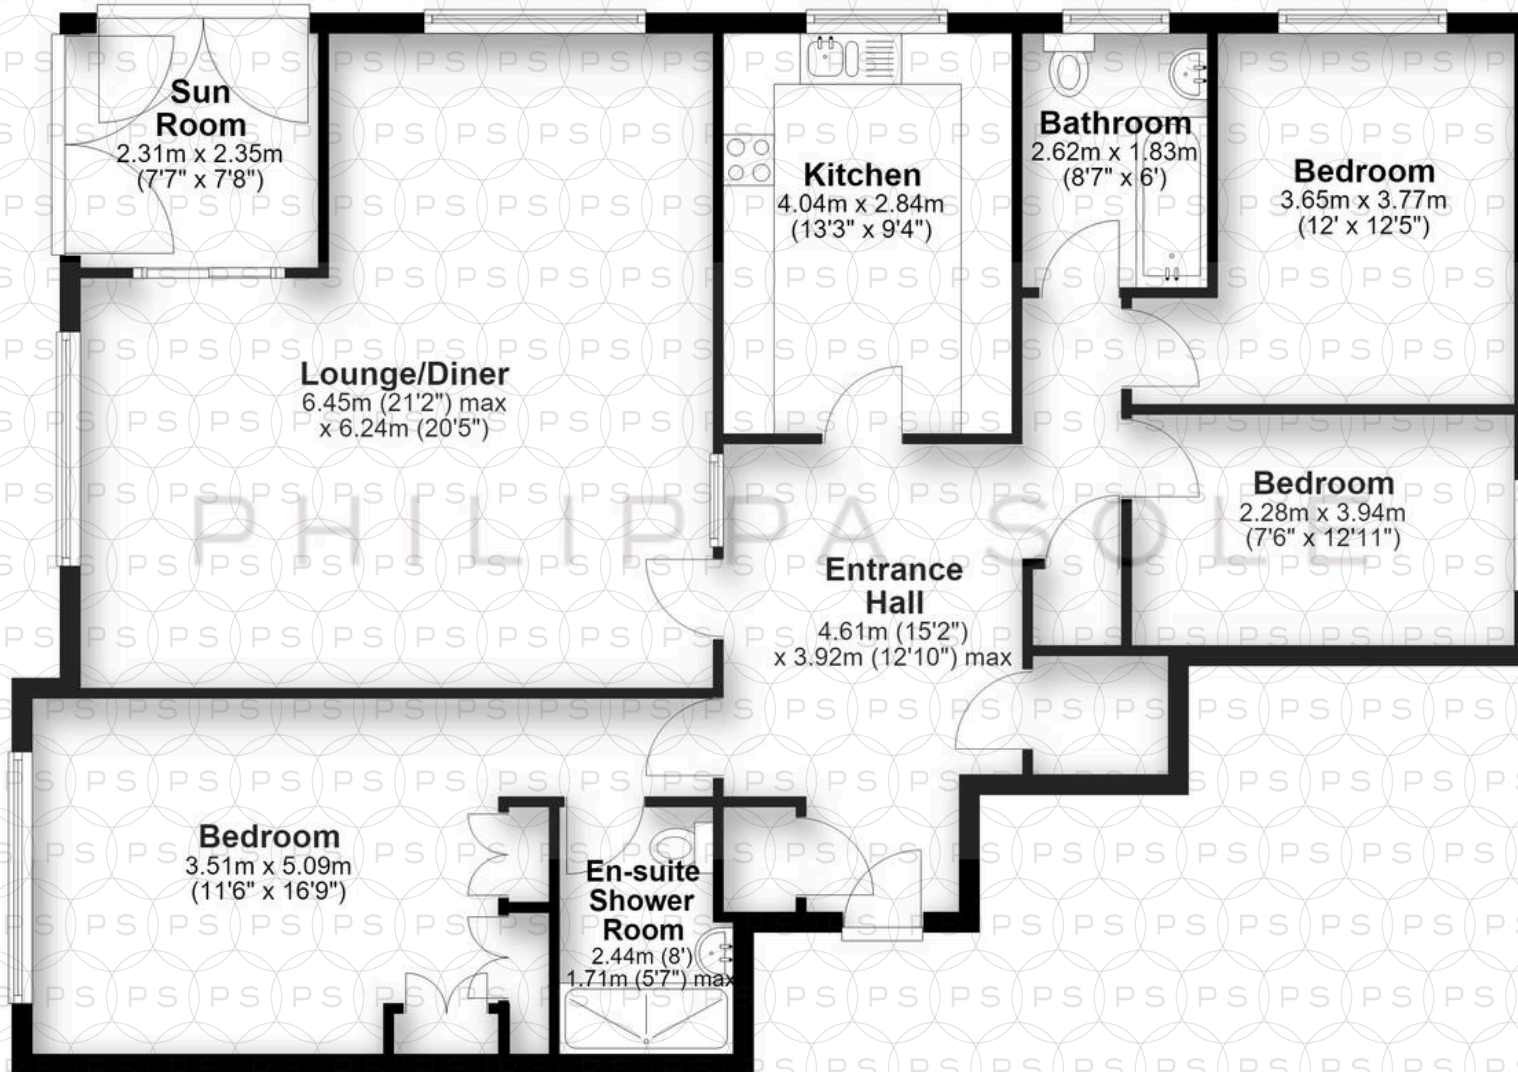

The development is set within established communal gardens that are well maintained and create a sense of space and greenery around the building. A private garage provides secure storage or parking, alongside visitor parking for guests.

LOCATION:

Positioned within Branksome Park, the apartment sits within reach of Westbourne village amenities and approximately 1.5 miles from Branksome Chine and Branksome Dene Chine beaches. Branksome railway station provides direct services to London Waterloo, with local routes connecting to Bournemouth and Poole.
