Addison Crescent, W14

An exceptional double-fronted five/six bedroom detached villa located on Addison Crescent, Holland Park. Comprising circa 5700 Sq Ft, the accommodation is set over four floors and the design focuses on practical principal spaces, with generous proportions allocated to the rooms, doorways and corridors, enhancing the feeling of lateral space and light.

Externally, the rear garden has been designed by a landscape architect and is inclusive of two seating areas and a plunge pool running through the centre. An additional first floor roof terrace can be accessed via the dining room and is equipped with built in heaters, and a wall garden. The property benefits from secure gated access, CCTV, and off-street parking for three or four vehicle's.
