Gary Townsend at Paul Mason Associates offers Hedgerow Cottage, a delightful and characterful period home set in a rural position, yet within easy access of Little Waltham. Full of charm and individuality, the property showcases a wealth of original features including exposed timbers and beams, inglenook fireplace and log burners, which complement its historic origins. The cottage combines these traditional elements with a warm and welcoming atmosphere, creating a home rich in character while offering comfortable living in a picturesque village setting.

The ground floor offers three spacious reception rooms, each enjoying a rural aspect, but the heart of the home is the spacious kitchen / breakfast room with views to the rear and French doors opening to the rear patio. There is a large utility and ground floor cloakroom, a prerequisite for family life. The first floor has five bedrooms and three bathrooms, all accessed from the central landing.

Hedgerow Cottage is situated in the attractive and well-regarded village of Little Waltham, just a short distance to the north of Chelmsford. The village offers a charming rural setting with a strong community feel, centred around a picturesque village green, historic church and popular local public house.

Despite its peaceful countryside surroundings, the property remains conveniently placed for access to Chelmsford city centre, which provides a wide range of shopping, dining and leisure facilities, along with a mainline railway station offering regular services to London Liverpool Street. The area is also well served by a selection of well-regarded schools and enjoys easy access to surrounding countryside walks, making it an ideal location for those seeking village living while remaining well connected.

This brick built outbuilding is currently used as storage but offers flexibility to be converted into a detached home office.

Gardens

The gardens at Hedgerow Cottage are a true highlight of the property, offering a wonderfully private and established outdoor space that complements the charm of the cottage. Mainly laid to lawn and bordered by mature hedging, trees

and well-stocked planting beds, the garden provides a peaceful setting with a lovely sense of seclusion. There are a number of seating areas ideal for outdoor dining and entertaining, while the generous plot offers plenty of space for families, keen gardeners or those simply wishing to enjoy the surrounding countryside atmosphere. The garden enjoys attractive views and a sunny aspect, creating a perfect environment to relax throughout the day.

Solar Farm Information

Please be aware that there are plans approved for the Longfield Solar Farm located north-east of Chelmsford, between Boreham, Great Leighs, Terling and Hatfield Peverel which will be in proximity to the property. More information can be found at '<https://www.longfieldsolarfarm.co.uk>'.

Likely future outlook will consist of rows of ground-mounted solar panels with security fencing and access tracks with inverters/small electrical units. It should be noted that the existing hedgerows and tree lines will partially screen the panels, especially at ground level.

Important Notices

We wish to inform all prospective purchasers that we have prepared these particulars including text, photographs and measurements as a general guide. Room sizes should not be relied upon for carpets and furnishings. We have not carried out a survey or tested the services, appliances and specific fittings. These particulars do not form part of a contract and must not be relied upon as statement or representation of fact.
