Situated within the popular Jubilee Gardens development in Banwell, this impressive coach house offers well-proportioned accommodation, excellent energy efficiency and the considerable benefit of a generous garage.

The property has been exceptionally well maintained and is presented throughout in a clean and contemporary style. The accommodation is arranged over the ground floor, with the main living space occupying much of the property and providing a particularly good balance of kitchen, dining and sitting areas.

The open-plan kitchen, dining and sitting room is a generous space, with the kitchen fitted with a good range of contemporary wall and base units, integrated appliances and ample work surface. There is plenty of room for a dining table and separate sitting area, making this a practical and flexible space for both everyday living and entertaining.

There are two well-proportioned double bedrooms, both offering good space for bedroom furniture. The principal bedroom is particularly generous, while the second bedroom is also comfortably sized and benefits from natural light from the front of the property.

The modern bathroom is fitted with a white suite and includes a bath with shower over, wash basin and WC. There is also useful storage within the property, helping to keep the accommodation uncluttered.

The property also has an EPC rating of A, reflecting the excellent energy efficiency of the modern construction and making this an economical home to run.

Outside, the property benefits from its own rear courtyard area, providing useful private outdoor space and complemented by side access. The generous garage is an excellent additional feature, offering considerably more space than is often found with a coach house. The property is also freehold, which is an unusual and particularly appealing feature for this type of property.
