Arranged over three floors, this beautifully presented house has undergone a comprehensive programme of improvement under the current ownership, and now offers three double bedrooms and spacious living accommodation. The property enjoys views towards Stonebarrow Hill, and has front and rear gardens with parking available behind.

The property is conventionally arranged around an entrance hallway, with the living room to the front and kitchen/dining room to the rear. Adjacent to the kitchen is a utility/rear lobby providing access to the garden with space for a washing machine and a door into the downstairs cloakroom.

On the first floor there are two double bedrooms (one

currently set up as a hair salon) and a family bathroom. A large landing with space for a desk leads to the attic bedroom, which was tastefully converted under the current ownership and provides a principal bedroom suite with built-in wardrobes and an en-suite shower room.

OUTSIDE

The property is approached over a shared path to the front, with a gate into the front garden which is mainly paved. The west facing rear courtyard garden is designed for ease of maintenance, with plenty of space for potted plants and seating areas. There is a large storage shed and access to the parking.
