| Energy Efficiency Rating                    |   | Current      | Potential |
|---|---|--------------|-----------|
| Very energy efficient - lower running costs |   |              |           |
| (92 plus)                                   | A |              |           |
| (81-91)                                     | B |              |           |
| (69-80)                                     | C |              |           |
| (55-68)                                     | D |              |           |
| (39-54)                                     | E |              |           |
| (21-38)                                     | F |              |           |
| (1-20)                                      | G |              |           |
| Not energy efficient - higher running costs |   |              |           |
| England & Wales                             |   | EU Directive |           |
|   |   | 2002/91/EC   |           |
