Fine 3 storey mid 19th Century farmhouse, extended, beautifully restored and offered in immaculate condition. The property stands in almost 1 acre (0.9 acre or thereabouts) with a secluded courtyard garden, triple garage and a neatly mown paddock.

Corner Farm stands on the edge of the small settlement of Grassthorpe, adjacent to open countryside with pleasant far reaching views. Central heating is oil fired and the property has double glazing.

The principle accommodation includes an entrance hall, cloakroom, reception hall, 25 ft lounge with inglenook, dining room with bi-fold doors, kitchen with quality units and appliances and a spacious utility room. The first floor provides a master bedroom suite with dressing room and bathroom. From the inner landing and corridor bedroom 2 and bedroom 3, both double sized and a spacious family bathroom, luxuriously appointed with bath and rain shower. The dog leg staircase continues to a second floor galleried landing, with 2 double sized bedrooms ideal for family, teenagers and children.

The courtyard garden has a low wall surround. The detached garage is substantially built with brick elevations under a pantiled roof. The garden and paddock area are post and rail fenced. The property has mains drainage.

Grassthorpe has a small population and could be described as a hamlet. The property stands on the highest part of the village with a substantial frontage and shared gravelled driveway entrance. The situation is a mile or so north of Sutton On Trent where there is a wide range of amenities including a primary school, co-operative store, butchers, hairdressers and a public house. The village is within the catchment area of Tuxford Academy secondary school with an exceptionally good reputation. Access points to the A1 north and south are within 2 or 3 miles and the location is ideal for commuting to Newark, Lincoln and Nottingham, whilst further north Sheffield and Doncaster. The main east coast railway line runs from Newark Northgate with regular services capable of journey times to London Kings Cross in just over 75 minutes.

The house was substantially renovated and extended as part of a scheme to include the original outbuildings, to which the kitchen gable is attached. The complex is inward facing and Corner Farmhouse is entirely secluded, private and not overlooked.
