16 New Road, Royal Wootton Bassett Swindon, SN4 7DG

£450,000

A deceptively spacious, extended four double bedroom detached home offering three reception rooms and three bathrooms, situated in this established non-estate location in the ever-popular market town of Royal Wootton Bassett.

Constructed circa 1983 and later extended around 1990 by the current owner, this impressive home offers exceptionally versatile accommodation. A gently ramped access leads to the front door and into the welcoming hallway, where you will find a tastefully refitted cloakroom to the front and a large, impressive utility/wet room. Designed with wheelchair accessibility in mind, this fully tiled space features a remote-controlled, Japanese-inspired WC and monsoon shower.

The generous lounge enjoys a gas flame fire and French doors opening to the rear garden, and flows through to a separate dining room. This in turn leads to the rear extension, which lends itself perfectly to use as a family room or ground floor bedroom. The kitchen overlooks the front aspect, provides side access, and features a modern range of units complete with a range oven.

To the first floor are four double bedrooms, with the principal bedroom benefiting from an en-suite shower room. A family bathroom services the remaining three bedrooms.

Externally, to the front, a shared access (serving just this property and the neighbouring home) leads to a private driveway providing parking for approximately three to four vehicles. Side gated access leads to the mature, south-facing rear garden, which enjoys a patio area, shed, lawn, and well-stocked flower bed borders.

Further benefits include an upgraded gas central heating system with sealed pressurised hot water cylinder and uPVC double glazing.

This is truly an impressive and versatile home that must be viewed to be fully appreciated.
