the location...

A typical old Devon town, Chudleigh has numerous narrow lanes and passageways between quaint old cottages. It is located at the end of the Teign Valley, close to the Haldon Hills. Perhaps more to the point is that it is off the main road from Exeter to Plymouth, to which it owes its prosperity as a wool town from the 13th century onwards. Chudleigh is an ideal base for exploring the local countryside, the Dartmoor National Park and the English Riviera. The town has good local facilities including shops, church, public houses and a regarded primary school...
