IF YOU LIVED HERE...

Stepping inside, the hallway connects each room, creating a practical layout that works well for day-to-day living. The bay fronted reception room is filled with natural light, with leafy views creating a calm backdrop throughout the seasons. There's ample room to relax and dine, while the decorative fireplace adds character to the thoughtfully renovated space. The separate kitchen is beautifully finished with contemporary cabinetry, integrated appliances and a large window framing the surrounding trees.

Both bedrooms are comfortable doubles. The principal bedroom enjoys another bright bay window overlooking the greenery, along with a full wall of built-in wardrobes that keeps the room feeling calm and uncluttered. The second double bedroom offers excellent flexibility for guests, family or home working. The smartly presented shower room is finished in a clean, contemporary style with a generous walk-in shower. Outside, the well-kept communal gardens provide even more green space to

enjoy, reinforcing the peaceful setting that makes this development so sought after.

A WORD FROM THE EXPERT...

"Being a country girl at heart, for me Wanstead is the perfect blend of village/city living. With excellent transport links into the city, I often meet up with friends to explore the wonders of London. But I also enjoy going for long, leafy walks with Hollow Ponds and Wanstead Park on my doorstep. I was first attracted to Wanstead by its charming High Street, lush green spaces and choice of excellent schools. Since moving here, I have discovered some new favourites — for breakfast La Bakerie, lunch at Otto and The Duke for the best roast around. I love to stay active, and here in Wanstead you have lots to choose from. From organised yoga at Christ Church Green, personal training sessions at Target Fit or jogging around the various nature trails of Epping Forest. There is a great sense of community here in Wanstead, with informative Facebook groups, street parties, a monthly farmers' market and the local jumble trail. I have made many friends locally, there is a genuine community spirit here and I am proud to call Wanstead my home."
