Location

Rectory Lane is situated within the attractive village of Milton Malsor, in West Northamptonshire, approximately 4 miles south of Northampton town centre. Much of the village lies within a conservation area, with a number of historic and listed buildings contributing to its distinctive character. Rectory Lane is located within the historic core of the village. The lane has an attractive rural character, with open green space and established trees nearby. In particular, the Leys area alongside Rectory Lane provides an open setting with mature trees and a public footpath, helping to maintain the countryside feel of the immediate surroundings. The property benefits from good access to Northampton and the wider road network. The M1 motorway is approximately 2 miles from the village, while the A43, A45 and A508 provide connections towards Northampton, Towcester, Milton Keynes and surrounding areas. Northampton's wider range of shopping, employment, education and leisure facilities is readily accessible by road.
