Property Description

Situated within the popular village of Iwade, this well-presented first-floor apartment offers a surprisingly generous layout, with its impressive open-plan living space forming the centrepiece of the home.

A spacious entrance hall provides access to each of the principal rooms along with useful built-in storage. The kitchen, living and dining room measures approximately 22'1" x 21'0" at its widest points, with multiple windows bringing plenty of natural light into the room and creating a bright, sociable space for relaxing, dining and entertaining. The contemporary fitted kitchen sits naturally within the room, offering a good range of storage and worktop space.

The principal bedroom is a comfortable double and benefits from its own en-suite shower room. The second bedroom provides a flexible additional space suitable as a bedroom, home office or nursery, while a separate modern bathroom serves the remainder of the apartment.

Neutral décor, double glazing and gas central heating contribute to the home's modern, low-maintenance feel, while externally the property benefits from an allocated parking space and maintained communal areas.

About The Area

Holly Blue Drive is situated within the popular village of Iwade, a well-established community offering a quieter village setting while remaining conveniently connected to Sittingbourne and the surrounding area.

Everyday amenities including local shops, schools and healthcare facilities are within easy reach, alongside nearby countryside and green spaces. Sittingbourne town centre provides a wider selection of shopping, leisure and dining facilities, together with its mainline railway station.
