A MODERN THREE BEDROOM SEMI

A modern three bedroom semi detached house offered for sale in a ready to move into condition.

This property forms the right hand side of a pair of modern semi detached houses built in a highly regarded residential suburb on the outskirts of Stapleford and close to open countryside. Moorbridge Lane offers good accessibility to the town centre of Stapleford and good road links such as the A52 for Nottingham and Derby, as well as Junction 25 of the M1 motorway for those looking to commute further afield.

A particular feature of this property is the conservatory which has an insulated solid roof enabling this space to be used all year round. It has a fantastic aspect over the rear garden beyond which are open grazing fields.

The property enjoys a good standard of internal fixture and fitment with gas fired central heating served from a combination boiler and double glazed windows throughout.

The accommodation comprises entrance hall with archway through to a modern kitchen, as well as a generous living room with a conservatory beyond. To the first floor, the landing provides access to three well proportioned bedrooms and a modern shower room/WC.

The property benefits from off-street parking with attractive wrought iron gates creating more off-street parking at the side of the house. The rear garden is a generous size, attractively landscaped with ease of maintenance in mind and wrought iron railings to the rear boundary to fully enhance the aspect onto the fields beyond.
