

Stratford Road, Chorley

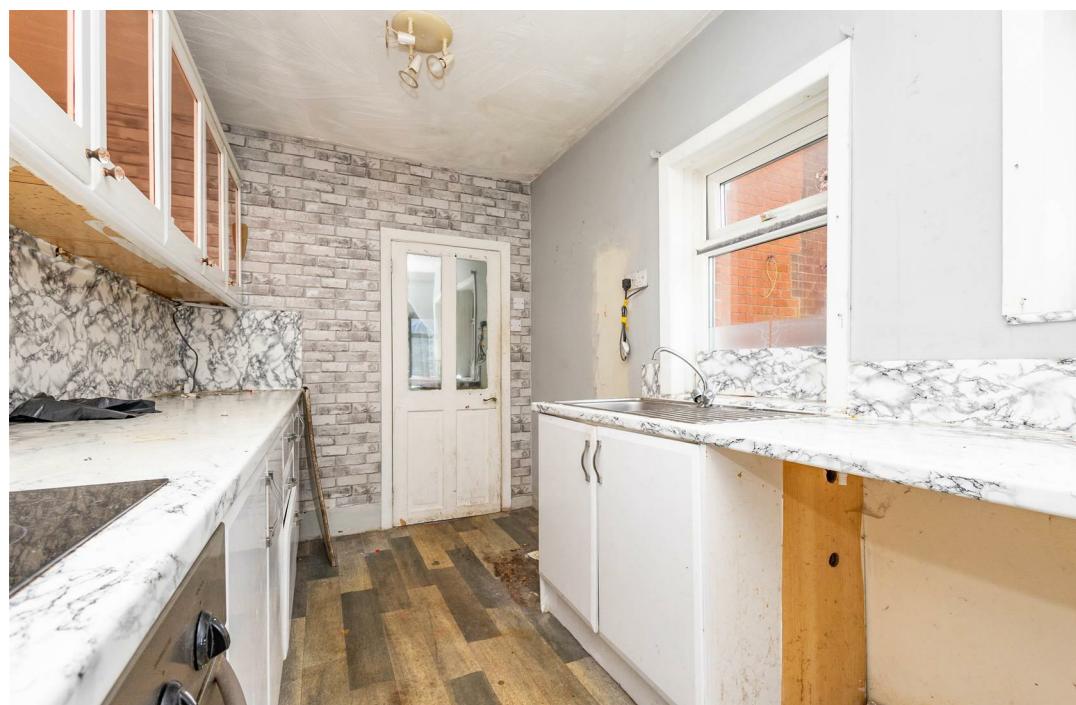

Offers Over £114,995

Ben Rose Estate Agents are pleased to present to market this two bedroom mid terrace property in Chorley, offering generously sized rooms and high ceilings throughout, and providing a strong opportunity for buyers looking to fully refurbish and add value. The home requires comprehensive modernisation, but benefits from a traditional layout and good internal proportions that will appeal to investors and practical buyers alike. The property sits within easy reach of Chorley town centre, with a range of shops, supermarkets and everyday amenities nearby. There are well regarded schools in the area, regular bus routes, a nearby train station with links to Preston and Manchester, and convenient access to the M61 and surrounding Lancashire towns.

Entering through a small porch, you step into the main hallway which provides access to the front reception room and the staircase. The ground floor features two large lounge rooms, both with tall ceilings that enhance the sense of space. The front lounge benefits from a bay window, while the rear lounge includes access to useful understairs storage. To the back of the property is a kitchen diner with sliding doors opening to the yard; this space is in need of a full refurbishment but offers a workable footprint for redesign.

Upstairs, the first floor hosts two good sized double bedrooms, including a particularly spacious master. There is also a family bathroom on this level. Positioned behind the bathroom is an additional small room with a window, which could serve as storage or be reconfigured subject to requirements and any necessary approvals.

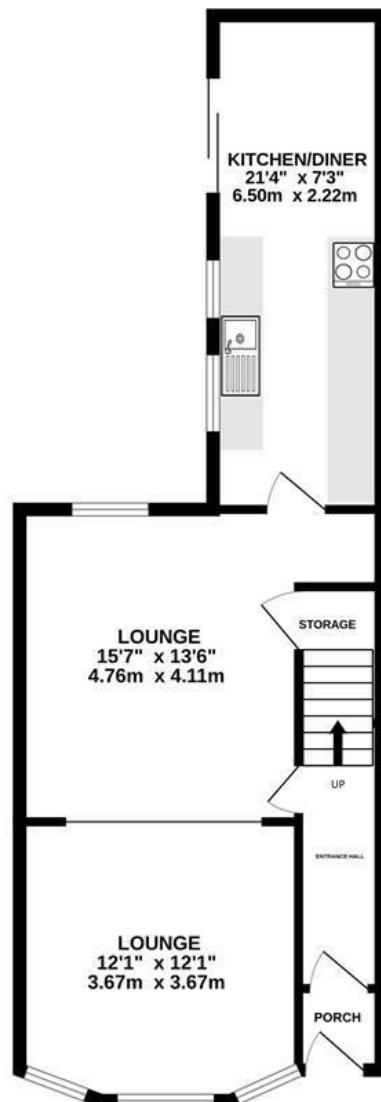

Externally, the property has on road parking available to the front. To the rear is a low maintenance enclosed yard. Overall, this is a project property with large rooms, high ceilings and solid potential, best suited to buyers prepared to undertake significant renovation works.
