The property: an excellent example of a Grade II listed early-15th century house set in the heart of Hastings old town. You enter into an enclosed porch, through double doors fitted with stained glass. These lead into the living room, which enjoys a large inglenook fireplace with a wood-burning stove and a window to the front aspect fitted with wooden shutters. The kitchen offers ample storage, and a bay window with bench seating creates a cosy dining nook. There is a fully equipped utility room, with a downstairs cloakroom. There are two bedrooms on the first floor and family bathroom with roll-top bath, the larger of the two bedrooms has an inglenook fireplace with wood-burning stove, and a large window with views of the Old Town towards the East Hill. The main bedroom is found on the upper floor, featuring built-in wardrobe and an en-suite shower room with underfloor heating. There is a secret door within a bookshelf, leading to a gallery, which sits above the main room below. There are centrally heated skirting radiators throughout to provide background heating. Available now.

Please note that this property has no outside space apart from the detached garage.

The location: situated in a central position within the Old Town, this fantastic property is within immediate walking distance of the seafront, local shops, restaurants and Hastings Country Park.
