Cleveland Road, TW7

The ground floor features a bright and spacious double reception room and dining area with a large bay window that floods the space with natural light. To the rear is a fitted kitchen overlooking the large private garden, together with a ground floor bathroom. The existing layout offers scope for reconfiguration, creating the opportunity to design a more open plan living space if desired.

On the first floor are two generous double bedrooms, a single bedroom which would also make an ideal study or nursery and a family bathroom. The loft has been converted to provide two further double bedrooms and a shower room, creating flexible accommodation for larger families or guests. Additionally, the top floor offers potential to be reconfigured to create an impressive master bedroom with an en suite.
