Council Tax Band: B

The bedroom is a comfortable double, while the apartment also benefits from a separate bathroom and additional WC—a useful feature rarely found in homes of this size. A new boiler and shower unit have both been installed within the last three years, providing added reassurance for the incoming owner.

Further appeal comes from access to a large communal garden, providing welcome outdoor space, together with the convenience of non-permitted on street parking The apartment also benefits from sole use of its loft access, offering valuable additional storage, and there is no ground rent payable. The property is also pet-friendly, making it an attractive option for buyers with a cat or dog.

The recently approved School Street scheme is expected to reduce through-traffic and noise in the immediate area during designated hours, helping to create a quieter and more pleasant residential environment.

Handsworth Avenue is well placed for the amenities of Highams Park, with a growing mix of independent cafés, restaurants and local shops around The Broadway and Hale End Road. Local favourites include Biba & Wren, Karya Bistro and Humphry’s Café, while the area is also known for its friendly community feel and excellent access to green spaces. The Highams Park, its lake and nearby Epping Forest offer plenty of opportunities for walking, running and relaxed weekend downtime.

For commuters, Highams Park station is served by London Overground Weaver line services, with direct trains to London Liverpool Street taking around 21–22 minutes. Walthamstow Central can be reached in approximately five minutes, providing convenient connections to the Victoria line.

Combining generous proportions, natural light, outdoor space, useful storage and no ground rent, this charming conversion apartment would make an excellent first home, London base or investment in an increasingly popular part of E4.”
