Penlan Road

My wife and I have loved living here for over 20 years, for us it was the warmth and homeliness that we felt as soon as we walked in. It has been a wonderful home for our children to grow up in along with my wife's mother who lives in the annex with us. It has always felt comforting and welcoming. The space has been truly transformational and never felt crowded but it is time for us to move on and let the next generation have their turn. We will truly miss it.
