Extending to approximately 1,400 sq ft, the property is rich in original features, including fireplaces, ornate cornicing and high ceilings, while enjoying views towards Clevedon's historic Market Hall and Alexandra Gardens. Positioned on the highly sought-after Gardens Road, just moments from the seafront, this is a rare opportunity to acquire a substantial home in one of the town's most desirable locations.

Upon entering the building, there is a communal hallway which allows storage for both apartments. Coming into the apartment, a welcoming central hallway provides access to all principal rooms. The elegant sitting room enjoys plenty of natural light and attractive views towards the town centre, while the impressive split-level kitchen/dining room forms the heart of the home, complete with extensive fitted storage and a central island, creating an ideal space for both everyday living and entertaining. There are three generous double bedrooms, including a principal bedroom with an ensuite, complemented by a luxury family bathroom and a separate utility room.

Outside, residents have access to a communal garden situated to the side of the building. The property also backs directly onto Alexandra Gardens, which leads through mature woodland towards the boutiques, cafés and restaurants of Hill Road.

Gardens Road is one of Clevedon's most sought-after addresses, located just seconds from the seafront and within easy walking distance of Hill Road's vibrant mix of independent shops, cafés and amenities. The iconic Victorian Pier and beautiful coastal walks are also close at hand, making this a truly exceptional location.

"An elegant period apartment combining generous proportions, character features and an enviable coastal setting."
