DESCRIPTION

This well-proportioned three bedroom ground and first floor duplex apartment offers spacious and versatile living arranged over two levels, situated within the semi-rural village of Hunmanby, just a short drive from the coastal town of Filey.

The accommodation is thoughtfully laid out, with the ground floor comprising three bedrooms accessed from a central hallway. The principal bedroom benefits from its own en-suite shower room, while the remaining bedrooms are served by a family bathroom. The layout provides flexibility for families, guests or those requiring space to work from home.

To the first floor, the property opens into an impressive living room stretching the full depth of the apartment, offering generous space for both lounge and dining furniture – ideal for entertaining or relaxing. The kitchen is conveniently positioned and well arranged, providing good storage and workspace, with the added benefit of a separate utility room enhancing practicality.

The property is leasehold with over 900 years remaining on the lease, offering long-term security comparable to a freehold purchase. Externally, there is allocated parking for added convenience and access to beautifully maintained communal gardens.

Hunmanby is a popular and well-served village offering a range of amenities including local shops, cafés, public houses, a primary school and regular bus services. The village enjoys a semi-rural setting while remaining within easy reach of Filey's award-winning beach, coastal walks and train station, as well as convenient road links to Scarborough and Bridlington.

This spacious duplex apartment would suit a range of purchasers including families, second home owners or those seeking village living close to the coast. Early viewing is highly recommended.
