Situated within a private setting in the highly regarded village of Quadring, this superb home offers four genuine double bedrooms, a versatile ground floor study/bedroom five, a separate lounge, utility room, ground floor cloakroom and, without doubt, the standout feature of the property — an incredible open-plan kitchen, dining and living space measuring over 30ft in length.

Designed perfectly for modern family life and entertaining, the open-plan space brings together a stylish contemporary kitchen, generous dining area and spectacular living area beneath a vaulted ceiling. Bi-fold doors open the room directly onto the rear garden, creating a wonderful connection between the indoor and outdoor spaces and making this a fantastic home for entertaining in the summer months.

The kitchen itself is beautifully appointed with a comprehensive range of modern wall and base units, soft-close drawers, integrated fridge freezer, dishwasher, wine cooler, Bosch induction hob, extractor and built-in Bosch fan-assisted oven. A generous breakfast bar provides an additional social space, while the attractive LVT herringbone flooring continues through the main living areas.

The living area is particularly impressive, with its vaulted ceiling, Velux roof windows and further bi-fold doors, flooding the room with natural light. This is a space that genuinely sets the property apart from many other family homes.

The separate lounge provides a quieter second reception room, while the ground floor also benefits from a beautifully finished utility room and cloakroom. The additional study/bedroom five is ideal for those working from home, or could provide a further bedroom depending on the needs of the family.

Upstairs, the galleried landing leads to four excellent double bedrooms. The master bedroom benefits from its own luxurious en-suite, while bedrooms two, three and four all provide generous accommodation, with bedroom three also benefitting from fitted wardrobes.

The family bathroom is another highlight, featuring a stylish four-piece suite, including a freestanding oval bath, separate shower enclosure with rainfall shower, vanity unit and illuminated mirror. Contemporary tiling and a graphite heated towel rail complete the luxurious finish.

Outside, the property is approached via a private roadway and benefits from an extensive gravelled driveway with turning bay, providing excellent parking for multiple vehicles. There is an impressive attached double garage with electric door, power, lighting, eaves storage and rear access.

The rear garden has been designed for both relaxation and entertaining, with a substantial flagstone patio immediately adjoining the house and the bi-fold doors, before leading onto a generous lawned area with hedged and fenced boundaries. Outside lighting and power points add further practicality.

Located in the popular village of Quadring, the property offers a peaceful village lifestyle while remaining within convenient reach of Spalding, Gosberton and the surrounding towns and villages. The area is well served by local amenities, schools and transport links.

This is a genuinely exceptional family home, offering outstanding accommodation, superb entertaining space and a quality of finish throughout.
