## SITUATION

Tucked into one of East Devon's more discreet coastal pockets, this modern detached home offers a rare opportunity to enjoy the Jurassic Coast without the crowds - a beautifully positioned property with panoramic views across the Axe Valley towards the sea, just above Seaton and within easy reach of Colyton and its highly regarded grammar school.

From paddleboarding in Axmouth to coastal walks stretching from Seaton to Branscombe and Beer, life here is shaped as much by the surroundings as the home itself - a setting that feels both connected and quietly removed, yet within easy reach of Axminster station with direct links to London Waterloo

## DESCRIPTION

This impressive property offers generous and versatile accommodation, thoughtfully designed to maximise light and space. Upon entering, floor-to-ceiling doors and windows flood the entrance hall with natural light, leading seamlessly into a newly fitted kitchen/breakfast/dining area. The kitchen features an extensive range of units, a larder cupboard, integral appliances, and a stunning Brazilian quartzite-topped island with integrated electric points - perfect for both family life and entertaining.

The kitchen opens through to a recently added Orangery, providing a delightful space to relax and dine while enjoying uninterrupted views of the surrounding countryside. Doors lead directly to the rear patio, ideal for indoor-outdoor living.

The dual-aspect living room benefits from both windows and French doors leading to the decking area, with a cosy woodburner and wooden mantel creating a charming focal point. A versatile Games Room/Gym also opens onto the decking, capturing panoramic views over the Axe Valley and towards the sea.

A dedicated home office offers a quiet space for remote work, leading through to a well-equipped laundry room and a practical boot room - complete with a fully functional dog shower. The adjoining insulated garage includes a useful attic space, offering potential for conversion into an annexe (subject to necessary planning consents).

Upstairs, there are four generous double bedrooms, two feature high-spec en-suite shower rooms.

The main bedroom is a standout feature, benefiting from its own private balcony that offers stunning, far-reaching views across the Axe Valley and towards the sea in the distance - a perfect spot to enjoy morning coffee. The room includes built-in wardrobes and a high-quality en-suite shower room, complete with a luxurious walk-in shower and stylish contemporary fittings.

The luxurious main bathroom includes a freestanding bath and a large separate shower, all finished to an exceptional standard.

### OUTSIDE

To the front, a lawned area and a generously sized decked terrace with feature lighting create a wonderful space for outdoor dining or entertaining, all while enjoying captivating views across the Axe Valley and out towards the distant sea.

Further seating areas can be found at the lower end of the garden, nestled among mature trees, flowering borders, and established shrubs, offering both privacy and seasonal colour.
