We are pleased to offer this 3 bedroom detached home, which located in the very heart of Bramhall Village – This well proportioned detached home is being offer for sale with no onward seller chain; so a quick move is definitely possible.

Whilst reading this brief description, it is recommended you look at the floor plans to understand the shape, layout and size of the accommodation, plus the obvious and very simple reconfiguration potential – and looking through our photos will give you an idea of the design and style of the home interior.

You first enter the home via a porch, which is perfect for weather protection, allowing you a chance to leave the outdoor shoes behind you! From the porch you enter the main entrance hallway, which has stairs leading to the first floor plus access into the spacious family bathroom and the modern fitted kitchen. The large lounge has a feature fireplace to one wall and window looking out over the front garden – from the lounge you can access the separate dining room, which can also be accessed via the kitchen, so having a space to dine away from the lounge is a great feature for those seeking a more traditional way of living. It is worth noting that the position of the kitchen and dining room means there is obvious scope to create open plan living.

The kitchen (See photos) is fitted with a light coloured range of units, complemented by contrasting coloured work tops and stylish fittings to add to the overall appeal of the room. Views into the rear garden and access via a door to the external side space add both light and practicality.

The garage space is accessed via an up and over door from the front and side door as also mentioned below – and within the garage you have plumbing for a washing machine, therefore power and light, plus a side window adding extra natural light. THINK conversion potential too, as this is a home which can grow with you! and when you look at the floor plan, you will see the garage is perfectly positioned for conversion (subject to planning) and create more space to use – maybe a downstairs bedroom for a dependent relative or guests, or a reception room, and even utility room with downstairs WC!

Upstairs, off the landing you can gain access to all of the rooms, with the main bedroom suite benefiting from dual aspect views (over the front and rear aspect) and then two further bedrooms; one facing the front aspect and the other with a window to the side aspect. The main bathroom has been fitted with a modern stylish suite (see photo) and has a shower over the bath plus wash hand basin, and there is a separate WC.

Outside

The property is positioned on a plot which has a front garden boasting mature borders and lawn area which provides a green and private feel to the front aspect – There is a driveway providing ample parking and side gate which leads down the left side of the property (as you look at the home) which leads to the rear garden – The rear garden is a good size space with patio area abutting the the home, providing a lovely space to sit and relax. There is lawn area and mature borders which again provides a green private feel to the outside space. At the side of the home you will also notice access into the home via the kitchen and garage via a side door.
