Asking Price £85,000

Prime Residential Development Site with Full Planning Permission

An excellent opportunity to acquire a residential development site benefiting from full planning permission for the construction of three dwellings, making it an ideal investment for developers, builders, or investors seeking a ready-to-go project. Situated on Merrill Road in the popular village of Thurnscoe, the site occupies a convenient residential location with excellent access to local amenities, schools, transport links, and the A1(M), M1, and surrounding South Yorkshire towns. Planning permission was granted by the Local Planning Authority under Application Reference 2021/1613 for the demolition of the remaining garages and the erection of three new dwellings with associated landscaping and parking. This consent provides purchasers with the opportunity to commence development, subject to satisfying any planning conditions, significantly reducing the time and uncertainty associated with obtaining planning approval.

Location

Location

The site is located between Nos. 28 and 30 Merrill Road in Thurnscoe, a well-established residential area. The village benefits from a range of local shops, schools, healthcare facilities and leisure amenities, together with rail services from Thurnscoe Station and excellent road links to Doncaster, Barnsley, Rotherham and Sheffield.

Planning

Planning

Planning permission was granted under the Town and Country Planning Act 1990 by Barnsley Metropolitan Borough Council under Application No. 2021/1613 for:

"Demolition of remaining garages and development of 3 dwellings with associated landscaping and parking."

Prospective purchasers are advised to satisfy themselves regarding the planning consent and any conditions attached to the permission.

Viewing

The site may be viewed from the roadside. Any internal inspections should be arranged strictly through the selling agents, Merryweathers Estate Agents.

A rare opportunity to purchase a consented residential development site in an established and well-connected location with the potential to deliver three new homes.
