### PARTICULARS OF SALE

These cottages were designed for holiday letting and offer perfect 2 bedroom accommodation with lots of communal facilities, parking, a patio and ready access to the Cinder Track, a former railway line, now a bridleway offering safe access to the town centre and out towards Robin Hoods Bay. Smartly presented with double glazing, electric heating and an attractive modern kitchen and bathroom, we certainly think it will tick boxes for the majority of purchasers.

Positioned just a mile from the town centre, yet still on the riverside with the railway (including steam trains) running down the opposite bank, the scheme is away from the busyness of the town, yet still very accessible. There is allocated parking and communal facilities including play areas, BBQs and picnic tables, an indoor swimming pool for the rain days, and even a laundrette.

Follow the road down the bank towards the river and Waterside Cottage is No.21, being the end cottage on the terrace set closest to the foot of the bank.
