BEAUTIFUL VICTORIAN COTTAGE | APPROX. 1/3 ACRE PLOT | DOUBLE GARAGE | RURAL SETTING

Dating back to 1856 and believed to have historical links to Lord Craven, this beautifully presented detached Victorian cottage occupies an impressive plot of approximately one third of an acre in a picturesque semi-rural location. Surrounded by nature walks and conveniently positioned close to Grace Academy Coventry, Grangehurst Primary School, local amenities and excellent transport links, this is a rare opportunity to acquire a character home with generous outdoor space and further potential.

The accommodation begins with a stunning open plan lounge diner, featuring exposed wooden beams that perfectly complement the property's character. The modern kitchen breakfast room is fitted with a central island and offers an excellent space for family living, while a separate utility room and a downstairs shower room complete the ground floor.

Upstairs, there are three generous double bedrooms and a well appointed family bathroom.

Externally, the property truly comes into its own with a beautifully maintained rear garden extending to approximately one third of an acre. Designed for both entertaining and family life, the garden offers extensive lawned areas, vegetable plots and a small woodland area to explore. The property also benefits from a large double garage with electrics, while to the front a gated driveway provides ample off road parking alongside a well maintained lawn.

Planning permission has also been granted for a further extension to create an orangery, offering exciting potential for future owners.
