Occupying a substantial and enviable plot within one of Cheylesmore's most desirable residential locations, this exceptional detached family home presents a rare opportunity to acquire a property of genuine character, space and versatility. Offering approximately 1,600 sq. ft. of accommodation together with a detached garage and extensive rear garden, properties of this nature seldom become available on the open market.

Set back from the road behind an attractive frontage, the property immediately impresses with its commanding presence and generous proportions. Internally, the accommodation has been thoughtfully arranged to provide a wonderful balance of formal reception space and modern family living.

The welcoming entrance hall provides access to all principal ground floor rooms and a convenient guest cloakroom/WC. To the front of the property, the elegant sitting room enjoys a beautiful curved bay window which floods the room with natural light and creates an attractive focal point, providing a warm and inviting space for everyday living.

The first floor continues to impress, offering four well-proportioned bedrooms. The principal bedroom benefits from the luxury of an en-suite shower room, whilst the remaining bedrooms are served by a family bathroom. The accommodation is ideally suited to growing families, providing excellent flexibility for home working, guest accommodation or children's bedrooms.

Externally, the property truly comes into its own. One of the home's most outstanding features is its magnificent rear garden. Rarely found in modern housing stock, the garden offers an exceptional amount of outdoor space, providing endless potential for families, keen gardeners and those who enjoy outdoor entertaining. The plot affords a wonderful sense of privacy and seclusion whilst still remaining conveniently positioned for local amenities and transport links. The size of the garden also presents exciting future possibilities, subject to the necessary planning permissions, for extension or further enhancement of the property.

The detached garage provides useful storage and secure parking behind large secure wooden gates. (both the shed and the garage have lighting and power) There is also additional parking at the front of the property.

Homes occupying plots of this scale and offering such versatile accommodation are becoming increasingly difficult to find. Combining spacious detached living, multiple reception rooms, four bedrooms, a detached garage and a truly outstanding garden, this is a property that represents a rare opportunity for discerning purchasers seeking a long-term family home in a highly sought-after location.
