*"Waking up to the peaceful sound of bird song and nothing else. The neighbourhood is so peacefully still and quiet. Having lived in Easton for 16 years prior, I have valued this so much. Starting each day with a coffee and some breakfast at the kitchen table, enjoying the view of the beautiful garden, the blue tits nesting in the bird box and then beyond that the green of the countryside visible through the houses has been blissful. Living here has been such a calming experience."*
