### SITUATION

Brettingham Court enjoys an enviable setting within mature, well-tended gardens and grounds, affording a delightful parkland outlook across neighbouring properties. The development offers a rare sense of peace and seclusion, approached via an impressive pillared entrance and a long private driveway, ensuring complete privacy with no passing traffic. The elegant central courtyard and quadrangle are accessed through a striking Hamstone archway, enhanced by original lantern lighting, creating a most attractive and characterful approach.

The picturesque village of Hinton St George has excellent amenities including the renowned Lord Poulett Arms, village shop & post office, church, village hall and primary school, all of which are within walking distance of the property. A wider range of day to day facilities, including a Waitrose supermarket and leisure centre with indoor swimming pool, can be found in the nearby market town of Crewkerne. There is also a mainline railway station to London Waterloo. The property enjoys convenient access to the A303 and the M5 at Taunton and is within about a 40 minute drive of the Lyme Regis and Jurassic coast.

## DESCRIPTION

Brettingham Court is an elegant and historic conversion of the former kitchen garden and, subsequently, stable yard to Hinton House. This charming collection of Hamstone mews-style cottages, arranged around a central quadrangle, has been thoughtfully and sympathetically converted to preserve the character and integrity of the original buildings.

Each property is individual in its layout, size and orientation, with No. 9 particularly well positioned, enjoying an east-west aspect. This allows for morning sun within the private rear courtyard and afternoon and evening light to the front.

The property has been tastefully updated internally, featuring a refitted contemporary kitchen and well-appointed bathrooms to the first floor. The accommodation is further enhanced by notably high ceilings and sash windows throughout, creating a light, airy living space. Further benefits include gas central heating and some secondary glazing. The property would make an ideal cottage home, perhaps for those looking to downsize or "lock-up-and-leave" residence, perfectly suited to those seeking an easily maintained home in a most attractive and convenient setting.

## ACCOMMODATION

Steps rise to a pair of impressive arched double entrance doors, with a window above, opening into a welcoming reception hall/dining room. This attractive space provides ample room for a dining table and chairs, with a door leading to a cloakroom fitted with WC and wash hand basin. A wide opening leads through to the refitted Shaker-style kitchen, well equipped with a range of wall, base and drawer units, working surfaces and sink unit, together with integrated oven, hob, microwave and extractor hood. There is space for an undercounter fridge and freezer, while the gas-fired boiler is neatly concealed within a wall-mounted cupboard. A striking floor-to-ceiling sash window draws in an abundance of natural light and enjoys views across the central courtyard.

The sitting room is a particularly appealing space, featuring double French doors opening onto the rear courtyard, together with a side window incorporating a window seat. Additional features include a built-in corner cupboard and an ornamental fireplace fitted with an electric stove-style heater. A large understairs cupboard provides useful storage, and stairs rise discreetly from one corner to the first floor.

The first floor offers a small landing with access to the loft. The principal bedroom overlooks the central courtyard and benefits from two generous built-in wardrobes, one of which houses the washing machine with space for a tumble dryer above. The second bedroom enjoys delightful views to the rear over surrounding countryside and parkland-style gardens. There is an en-suite shower room, fitted with a tiled shower cubicle, wash hand basin and WC. The family bathroom comprises a bath with shower mixer tap, vanity wash hand basin and WC, with tiled surrounds.

## OUTSIDE

To the front of No. 9 Brettingham Court is an attractive, open courtyard garden, providing space for outdoor seating, pots and containers, and enjoying a favourable westerly aspect to capture the afternoon and evening sun. This delightful area overlooks the central quadrangle and is approached via the impressive archway, with visitor parking conveniently located beyond, set within the well-maintained communal walled gardens.

To the rear, the property benefits from a more private, enclosed courtyard garden, enjoying morning sunshine. Designed for ease of maintenance, the garden is predominantly paved and bordered by fencing and trellis, with raised timber beds planted with mature shrubs and climbers, including clematis. There is space for a table and chairs, together with an outside tap, and steps rise to the French doors opening into the sitting room. A rear gate provides access to the allocated parking space and garage, situated in a block opposite the property.

Further communal amenities include an additional outside tap, power, exterior lighting and a designated refuse area.
