# Middleway, London NW11 6SN

This beautiful home has been comprehensively modernised and refurbished throughout to provide a beautiful turnkey family home on a quiet tree-lined road minutes from Hampstead Heath.

Renovated to an exceptional standard, the property was stripped back to brick, offering Cat 5 rewiring, upgraded plumbing, full insulation, and underfloor heating across the ground floor living spaces, main bathroom and top floor ensuite. New character-style windows have been installed throughout.

The property boasts an elegant kitchen-diner, ideal for entertaining, featuring a Danish inspired bespoke Thomas Kitchen design with Miele appliances, Quooker tap, Bora ventilation and generous storage. The ground floor also provides a bay-windowed reception room and a reconfigured utility room bringing in natural light and enabling a separate garage for storage.

The first floor offers two double bedrooms with walk-in wardrobes, a smaller double bedroom and a study with garden aspect. The top floor presents an extensive principal bedroom with large ensuite (potential to divide into two rooms), an additional study and further storage.

Outside is a generous landscaped 2,400 sq ft rear garden with new patio, hedges, colourful planting schemes, lighting and drainage and potential to convert the shed into a studio, subject to permissions.

Security features include front and rear cameras, central alarm system and a monitored entrance system. Middleway benefits from off-street parking and free on-street parking, and is conveniently located 1 mile from Golders Green station and excellent primary and secondary schools and their bus routes.
