A well-maintained three-bedroom semi-detached home situated on the popular Wendover Drive, offering well-proportioned accommodation, a beautiful established rear garden and a versatile detached home office.

The property is set back from the road with a double-width driveway providing off-road parking.

The accommodation begins with a welcoming entrance hall. The current owners have extended the property to create a convenient ground floor WC, while a separate utility room provides additional storage and laundry space. To the front of the property, the bay-fronted living room is filled with natural light, while to the rear, the well-fitted kitchen/breakfast room opens into the dining room with direct access to the garden.

Upstairs, there are three generous bedrooms and a family bathroom. A striking stained-glass window on the landing is an attractive feature, adding character while allowing plenty of natural light into the stairwell.

The rear garden has been lovingly maintained and provides a private, established setting with mature planting and a raised terrace, making it an enjoyable space to relax or entertain. At the end of the garden is a detached home office with power connected. Currently used as a music room, it has been soundproofed, offering an excellent space for home working, hobbies or creative pursuits.

Combining practical living space with a mature garden, ample parking, a versatile outbuilding and a store/former garage, this is a well-cared-for family home in a popular residential location, offering plenty of potential for its next owners.
