Description

An exceptional detached family bungalow enjoying an exquisite semi-rural setting, backing directly onto Forestry Commission land and conveniently located close to the village infant and junior schools. Beautifully presented and tastefully decorated throughout, the property offers spacious and versatile accommodation extending to approximately 1,500 sq ft, with generously proportioned bedrooms and living areas.

Occupying a substantial, elevated plot, the property is set well back from the road and benefits from ample off-road parking together with a large integral garage. To the rear is an impressive garden measuring approximately 75' x 50', enjoying a south-easterly aspect and a wonderful outlook, flanked by woodland.

Adding considerably to the appeal of the setting, Forestry England, on behalf of the Forestry Commission, purchased Pleasant Farm in 2020 and has since undertaken an extensive tree-planting initiative to create Pleasant Forest — an attractive new woodland and wildlife habitat surrounding Platts Heath.

The property is being sold with no forward chain.
