Vendor's comments: 'We have had 20 amazing years in this much-loved family home. The property holds unforgettable memories, and our family has grown up here.'

The family room has served as an incredible hub for our family life, whether for evening meals or entertaining, while the pool room has provided countless weekends of fun for our children.

We chose the property because of the local grammar schools and the faith school, St Peter's.

The close proximity to the quays is also a convenient short walk away, providing easy access to shopping and entertainment.

The large local parks offer plenty of space for sports, including cricket, football and rugby.

The property is spacious and has adapted perfectly to the needs of our family, including as our children have

grown up and started driving. The convenience of four dedicated parking spaces has been invaluable.

Being able to change the use of the reception rooms — from playrooms to spaces for music and games for our children — has been a great bonus. They have also provided additional sleeping arrangements for guests.
