About The Property

This recently renovated two-bedroom semi-detached property is located in the heart of Downton, just a short walk from local shops, pubs, schools, and riverside walks. With convenient access to Salisbury, the New Forest, and commuter routes, this well-presented home offers an ideal village location.

The property has been fully redecorated throughout, featuring new carpets and fresh paintwork inside and out. The ground floor includes a spacious living and dining room that leads to a modern kitchen, which was fitted in the last few years. There is also a downstairs WC located under the stairs.

Upstairs, you will find two good-sized double bedrooms and a bathroom equipped with a thermostatic shower. Outside, the property boasts a private, enclosed courtyard garden with decking and a patio area. Additionally, there are two allocated parking spaces located directly next to the garden. The property benefits from gas central heating and double glazing.

Downton is a vibrant and historic village in the Avon Valley, surrounded by chalk downs and water meadows, with the River Avon flowing through its centre. The village combines natural beauty with a strong sense of community and offers a wide range of amenities, including a primary and secondary school, a GP surgery, a library, shops, a café, and recreational areas.

The high street is lively, and the village hall and leisure centre support a dynamic local calendar of events. Downton Moot Garden, a public green space that has its origins in a 12th-century castle, provides a peaceful riverside setting for walks and events throughout the year. The village also has a rich cultural heritage and was once home to Nobel Prize-winning author William Golding.
