Description

Sympathetically extended and beautifully presented throughout, this charming and highly versatile home must be viewed to be fully appreciated. Offering flexible and spacious accommodation, it lends itself perfectly to multigenerational living, growing families or those seeking adaptable work-from-home space.

The welcoming reception hall sets the tone, leading through to a generous Shaker-style kitchen/dining room, truly the heart of the home. Thoughtfully designed for both entertaining and everyday family life, french doors open directly onto the rear garden, seamlessly blending indoor and outdoor living.

A separate utility room and ground floor shower room add practicality and convenience, while the spacious living room provides the perfect setting for relaxation. A cosy snug/bedroom offers an additional reception space, ideal as a playroom or reading room; and the dedicated study, with access to the shower room, creates an excellent opportunity for home working, guest accommodation or independent living for a relative.

Upstairs, the first floor offers three well-proportioned bedrooms and a stylish modern family bathroom.

Externally, the property continues to impress. A substantial parking and turning area provides space for up to six vehicles (subject to size), ideal for larger households or visiting family. The beautifully maintained rear garden is a standout feature — generous in size, wonderfully private and bordered by mature trees, hedging and shrubs. The plot offers exciting potential to extend further (subject to planning permission), making this an exceptional long-term home.

Situated within a desirable village setting offering a local store and charming pub, the property also benefits from easy access to the wider amenities of Caldicot and Chepstow. Excellent bus and rail links, together with superb road and motorway connections, make commuting straightforward.

A rare opportunity to acquire a thoughtfully extended home offering space, privacy, flexibility and long-term potential.
