19 Elmdale Road is a charming mid-terrace period home, approaching 1300 sq ft, tucked away in a quiet cul-de-sac and ideally positioned within easy, level walking distance of Bideford Quay, the town centre, Victoria Park, and a range of local amenities.

Offering spacious, well-presented accommodation arranged over two floors, the property benefits from PVC double glazing, gas-fired central heating, and is available to the market with no onward chain. In the opinion of Phillips Smith & Dunn, this delightful home would make a superb family residence, and an early viewing is highly recommended to avoid disappointment.

The accommodation is entered via a spacious and welcoming entrance hall, complete with useful built-in storage and a staircase rising to the first floor. To the right is a generous 24ft dual-aspect lounge/dining room, featuring a bay window to the front, an attractive fireplace with a gas fire, and PVC French doors opening onto the rear garden.

The kitchen/breakfast room is an excellent size, offering a range of fitted units, integrated oven and hob with extractor hood, ample space for additional appliances, and plenty of room for a family dining table. Beyond the kitchen is a practical utility lobby housing the gas boiler, alongside a convenient ground floor WC, providing space and plumbing for laundry appliances. Completing the ground floor is a versatile additional room, ideal as a fourth bedroom, home office or utility.

On the first floor is the landing, with access to a boarded loft space, along with three well-proportioned bedrooms, including two generous doubles, both benefiting from fitted wardrobes, together with a comfortable single bedroom. A well-appointed family bathroom fitted with a four-piece suite completes the internal accommodation.

Externally, unrestricted on-road parking is available to the front of the property. To the rear is an enclosed, low-maintenance paved garden with attractive flower borders, offering a private outdoor space to enjoy. A substantial timber workshop measuring approximately 13' x 11' benefits from power, lighting and a cold water supply, presenting excellent potential for hobbies, a home workshop or studio (subject to any necessary planning consents). The garden also includes a useful storage shed, greenhouse, and rear pedestrian access.
