EXTERNALLY

Being at the end of the terrace, the gardens extend to both the rear, front and side of the house. They are delightful, principally to the South and West, have been thoughtfully landscaped and planted to create a number of distinct 'rooms', with many mature specimen shrubs and ornamental bushes. The paved sitting areas are ideal for alfresco dining and located so as to take full account of the sun/shade as desired. There is gated rear access, outdoor lighting and water tap. Rarely for a property so central, the house benefits from two single garages with private parking in front for a further 2/3 vehicles. There is also a delightful private green with a wonderful Cedar and Redwood tree, shared with residents of Southcot Place.

LOCATION

The house stands in this most convenient and highly desirable square. Peacefully located in Widcombe, it is just a very short walk from the excellent range of shops, restaurants/pubs, doctors' surgery and other facilities on Widcombe Parade, Bath Spa Station and the city centre. Delightful walks along the River Avon, the Kennet and Avon canal or through National Trust Land are also close at hand.
