ANTHONY JAMES  
PROPERTIES

# 39 Windrush Way

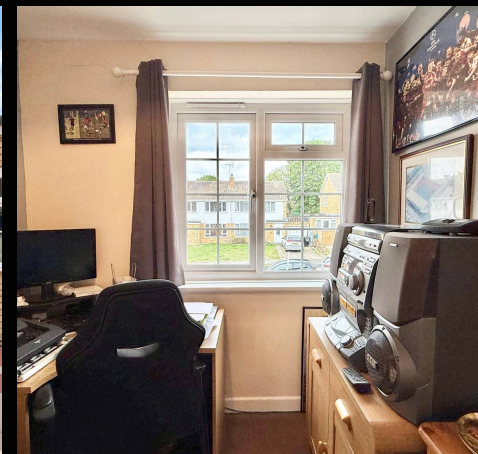

Hythe, Southampton

This well presented semi detached house offers flexible accommodation, with the potential to create up to five bedrooms if required. The property features a welcoming front aspect lounge, an open plan kitchen/breakfast room, and a separate utility room, providing excellent space for family living. The bathroom is complemented by a separate WC, adding convenience for busy households. With a practical layout and generous room sizes, this home is ideal for those seeking both comfort and versatility.

Outside, a block paved frontage provides off road parking for numerous vehicles, with mature hedging to the front and side offering natural screening and privacy. The rear garden is designed for low maintenance and is laid to patio throughout, making it perfect for relaxing or entertaining. Well maintained flower beds and shrubs border the garden, adding colour and interest, while a timber shed in one corner offers useful storage.
