#### **In more detail....**

Flat 1, Church View House is a generous and well-proportioned, well-presented two bedroom ground floor flat which benefits from a very long lease and share in the Freehold Title to Church View House. In particular the property not only enjoys use of the superb communal gardens overlooking the church grounds but also has its own private South-Westerly facing enclosed patio courtyard which is ideal for summer dining, barbeques and extra storage space for bikes and such. With neutral colour schemes throughout and lots of windows the flat presents an airy environment and would be ideal for buyers seeking a low-maintenance home all on one level with great 'lock-up and leave' potential also suitable as a permanent home for those with busy lives. Equally anyone seeking to find accommodation in the village all on one level would be well advised to view. The flat has been greatly improved by the present owner with the addition of a newly fitted kitchen/breakfast room having some built-in appliances and a well-appointed shower room/wc. The remainder of the accommodation features a large sitting/dining room and two excellent size bedrooms with the main bedroom having a built-in double wardrobe. The property also has its own private parking space.
