A semi detached three bedroom home within a good sized plot which makes this an ideal project to enhance and improve (STPP). Along with an open plan sitting room/dining area, this home has off road parking, large garden and the bonus of being CHAIN FREE!

A semi detached three bedroom home

Located within a no through road and with an easy level 5 minute walk to all the amenities of East Cowes, this home is being sold CHAIN FREE and has the possibility to reconfigure and refurbish to your own design and needs. Currently possessing a sitting room with dining area, kitchen, two double and a single bedroom this home still has some of the original features such as an outside milk flap where the morning pinta was delivered. A car port is now a sheltered seating area but could be reinstated as a garage or become an extension to the main building (STPP). Surrounding properties have enhanced their homes with extensions into the roof space. A good sized garden with off road parking makes this a great project full of potential.

Interior

This tidy home is very bright and light throughout and would benefit from some upgrades to regenerate this property into a modern family home.

Ground Floor:

The hallway has the flight of stairs leading to the upper floor and gives access to the good sized sitting room with its large window that allows the room to be bathed in daylight. This room, with a large understairs cupboard, has an electric fire upon a terracotta tiled hearth and flows through to a dining area with views out to the garden and a useful glazed hatch to the kitchen.

The kitchen, with its cream wall and base units and space for a freestanding cooker and a fridge freezer, follows through to the sun room with sliding doors to the garden.

First Floor:

The landing has a tall storage cupboard and gives access to the loft space as well as to the three bedrooms and bathroom.

All the bedrooms have built in storage cupboards with the rear double bedroom overlooking the garden, and the large principal and single bedroom facing the fore of the property. The bathroom has a bath with overhead shower, basin and wc.

Exterior

The front of the property is neat and tidy with a simple lawn, steps down to the entrance door and off road parking that leads to an area previously used as a garage and is now a car port and has direct access to the rear garden.

The rear outside space, that is kept in sunshine from late morning, is mainly lawn with mature borders that includes lavender bushes. The car port has been adapted into an open covered area, perfect for outside hobbies or a workshop as well as there being a separate sheltered seating space to enjoy the peace and quiet. Additionally, within this secluded garden there are two garden stores.

East Cowes

East Cowes is home to historic Osborne House, the holiday residence of Queen Victoria and Prince Albert, now an English Heritage property available for visits throughout the year and has a golf club within its grounds. The town itself has many shops and amenities including a major supermarket, pubs and restaurants. The Esplanade has a cafe, park and tennis court, as well as the Red Funnel car ferry to Southampton. A short trip on the chain ferry, known locally as 'The Floaty', will transport you to Cowes and all its further delights.
